Universal foaming cleaner

Uses

UFC is a powerful cleaner for use on all agricultural housing surfaces, equipment and transportation vehicles. UFC is safe on automotive surfaces. UFC is effective in hard water and can be used with cold water. UFC is greater than 90% biodegradable.

Dilution

2 to 6 oz. Cleaner per gallon of water.

Directions

Apply with foaming equipment with low to high pressure water or spray with pressure washer. Allow soaking time but do not allow drying. Rinse with high pressure water. Allow surface to dry and apply disinfectant.

Precautions

Always wear recommended safety apparel.

Warning

Adhere to specific label directions.
